## Report Reading Guide

**Medium and Long Term Chart Analysis** "Updated on" or "Update" is the latest date and price considered for the analysis.

Where recommendation are mentioned in the report, "Medium Term" denotes the medium-term trend (1 - 6 weeks outlook). "Long Term" denotes the long-term trend (1 - 6 month outlook).

**Rating** is given inside the chart image by a short text comment that explain the trend/momentum health.

**Positive outlook** (price likely to rise) are given by the **green color** of the price history completed by the label on the last bar of the chart: GoLng=Go Long | StyLng=Stay Long | RevLng= Reverse From Short to Long.

**Neutral outlook** (no big price changes expected) are given by the gray color of the price history completed by the label on the last bar of the chart: StyFlat = Stay Flat/Neutral | ExtLng=Exit Long | ExtSrt=Exit Short.

**Negative outlook** (price likely to fall) are given by the **red color** of the price history completed by the label on the last bar of the chart: GoShrt=Go Short | StyShrt=Stay Short | RevShrt= Reverse From Long to Short.

The horizontal red and green lines in the chart indicate support levels (green) and resistance levels (red).

Orange and Violet Lines in the chart indicate dynamic support and resistance.

Parallel Gray Line show the most probable underlying price trend regression channel.

**Trend Stage** show the classifies the stock trend into phases: | begin | developing | end | of the bullish move and | begin | developing | end | of the bearish price move.

**Volatility Risk** shows the risk related to the normal price movements: if the volatility risk is high, you know that the stock has large daily and monthly movements. By holding such stocks, the value may fluctuate a lot in the short term.

**Liquidity risk** indicate how easy is executing a trade: if the liquidity risk is high, buying or selling such a stock, the value of your investment can fluctuate quite a lot especially if you are buying a large quantity, or are in a hurry to buy or sell.
